Scrutinised by the Minor Irrigation Superintendent at flag (X). Under the existing procedure preparation & scrutiny of estimates and the execution of works relating to the construction & repair of H.W. School buildings is undertaken by the staff of the H.W.S. in the Dt. In this case also, presumably the D.H.W. desired to have the repairs executed by the H.W.I even though he has not (specifically) stressed about it.)

~~There is a separate~~ The question ~~is~~ whether the preparation and scrutiny of estimates and the execution of works relating to H.W.S. ~~works~~ should be undertaken by the H.W.I or P.W.D. is separately under consideration

~~The C.E. (I) suggests that works costing more than Rs. 2000/- should be entrusted to P.W.D.~~ Under M.F.C. Vol I., there is provision for execution of works by the Deptt. Concerned if the estimate does not exceed Rs. 5000/-. and if the work does not involve any structural alterations. ~~The Deptt. suggested that the provision~~ (in the M.F.C. quoting) above may be advantageously be followed by H.W.D. ~~that is, works costing~~ over above the limit of Rs. 5000/- ~~the works~~ may be entrusted to P.W.I, and the plans & estimates ~~may~~ also being scrutinised by P.W.I. The file has been sent to F.W. for remarks. As it will take some more time to arrive at a final decision in the matter referred to above, and also as the work is not likely to involve any structural alteration to the buildings, it is for consideration whether ~~in view of the urgency of the works~~ the estimates of Rs. 3800/- for the repairs to the H.W. school building at Nellujadi in S.K.Dt. may be approved & the amount sanctioned during the current year. ~~In view of the~~ ~~fact~~, the Collr. may also be permitted to execute the works departmentally. Subject to ~~the~~ ~~remarks~~ that to W.F. ~~and~~ ~~overleaf~~ ~~in~~ for approval. ~~Text of Note~~. F.W. (Fin.) may see for acceptance

H The general file referred to 8/11/51 on p 2 ante is being sent to R&S Deptt with this Deptt W.No. 94185 C/51-1 dt 8/11/51. In that file it has been suggested that as the Harijan Welfare Deptt has only one supervisor or overseer it may not be desirable for the Deptt with such poor subordinate staff to undertake execution of works up to Rs5000/- as contemplated in the Financial code & that until the number of works in that Deptt become so large that the regular PWD cannot handle them and avoidable delay is noticed in the execution of the works by the PWD, the H&W Deptt need not follow the instructions in the FC code. The R&S Deptt are hereby requested to consult the CE further in the matter & specifically on the point whether there should be any monetary limit in respect of works to be entrusted to the PWD.

For the reasons stated towards the end of page 2 ante, the draft order may be accepted & the case passed on to Fin.
